

Kiilto Pro Kasperri

Foaming descaler

Kiilto Kasperri is part of the Kiilto spa and swimming hall concept. The concept guarantees the high level of hygiene required by the facilities. The products have a high capacity for removing dirt and deposits. The products contain the optimal dosage. The dosage means that all the detergents are able to foam properly, allowing it to rest longer on the surfaces for the best effect. Kiilto detergents combined with excellent mechanics ensure the required level of cleanliness.

Application

A sanitary cleaner for removing rust deposits. For foam cleaning methods in swimming halls and spas. To be used for periodical cleaning. Suitable for kitchens for descaling. For in initial cleaning of buildings for removing construction dust from surfaces.

Product properties

Kiilto Kasperri is a colourant-free, foaming and acidic cleaner that has a mild odour. Effectively dissolves calcium and rust deposits. Kiilto Kasperri contains methanesulfonic acid. The product has been awarded the Nordic Ecolabel and is perfectly suited for persons with allergies.

Instructions for use

Dosage for removing deposits 1–4 ml / 1 l of water.
 Dosage for periodical deposit removal 10 ml / 1 l of water.
 Foam cleaning method 20 ml / 1 l of water.
 Construction dust removal 1 ml / 1 l of water.

First, wet the area to be cleaned with clean water. Allow Kiilto Kasperri to work on the surface for 5–10 minutes and wash the surface. Rinse the surfaces with clean water. Neutralize with Kiilto Sartek 2 if necessary. Dry the surfaces.

Note

Strong acidic solution and coarse cleaning utensils may damage glazed and polished surfaces. Do not mix Kiilto Kasperri with substances containing chlorine.

Composition

| Ingredient | Effect |
|--------------------------------|--|
| Non-ionic surfactants 5 - 15 % | Lowers the surface tension and removes dirt. |
| Amphoteric surfactants < 5 % | |

Other composition

nonionic surfactants <5%. pH 1

Product pH

1.0 strongly acidic

Solution pH

2.5 acidic

Storage

Store in a warm place.

Appearance and scent

Colourless, unscented liquid.

Country of manufacture

FINLAND

User and environmental safety
