## KW Valko

Unscented hygiene powder

Applications

### Purpose of use

KW Valko is very effective on protein, carbohydrate, excreta and grease stains. The product has been specially formulated for washing light coloured textiles in the healthcare sector, professional kitchens and hotels, and is also suitable for use with coloured sports laundry - where textile hygiene is also important for a clean and fresh appearance. Suitable for washing microfibre household textiles. Not recommended for silk and very delicate textiles.

### Properties
