

Kiilto Rosita

Sanitary Cleaner

4026 0036

Application

Suitable for maintenance cleaning of sanitary facilities, also for machine methods. For removing construction dust.

Product properties

A slightly acidic Kiilto Rosita reduces the formation of deposits when used regularly. Due to its surfactant composition the product also effectively removes greasy dirt. Leaves the surfaces shiny without any water spots. Has a pleasant odour. Kiilto Rosita has been awarded the Nordic Ecolabel. Unclassified.

Instructions for use

Maintenance cleaning 1–5 ml / 1 l of water. Clean surfaces and rinse if necessary.
Construction dust removal 1 ml / 1 l of water.
